Re: *Holloway, et al. v. Best Buy, Inc.*  
Northern District of California Case No. C-05-5056 PJH (MEJ)

Dear Magistrate Judge James,

Plaintiffs respectfully request the Court's permission to exceed the page limit for a joint submission regarding the production of native documents. The issues involved are numerous and exceedingly complex, and Plaintiffs do not believe the parties can address all of the relevant issues and provide sufficient explanation within the Court's page limit. Plaintiffs expect that the parties' joint submission will not exceed ten pages. It is our understanding that Defendants do not oppose this request.

Very Truly Yours,

SCHNEIDER & WALLACE
